

Dear CCCC staff,

It's hard to believe it's been three years already, but Steven is graduating from preschool and moving on to kindergarten! We want to express our sincere gratitude to you and the entire staff at CCCC for the incredible experience you've provided for him over the past three years.

Since starting at CCCC at the tender age of two, Steven has blossomed in many ways. He entered your program as a shy little guy, and thanks to your nurturing environment, patience, and dedication, he's grown into a confident, curious, and eager learner. We'll never forget the countless moments of joy, exploration, and discovery he experienced at CCCC.

We are especially grateful for Ms. Jackie, Ms. Cindy, Ms. Katrina, and Mr. Vincent and other teachers who fostered his love for reading, the creative and engaging activities that sparked his curiosity, and the supportive environment that helped him develop social skills. We know how much hard work and passion goes into creating such a special place for young children to learn and grow, and we are deeply appreciative.

Also, we would like to commend the preschool for providing delicious and nutritious breakfasts, lunches, and snacks. Healthy meals contribute significantly to children's overall well-being and learning.

We also want to thank Ms. Christine for her invaluable assistance with paperwork and questions throughout our time at CCCC. Her support and guidance have made our experience as parents much smoother.

We would like to express our special thanks to Director Anne Kwong for creating such a warm and welcoming atmosphere at CCCC. Your leadership and dedication to providing an exceptional learning environment are evident in every aspect of the preschool.

Steven will always cherish the memories he made at CCCC, and we will too. Thank you for being such a positive and influential part of his early education. We wish you and the entire CCCC community all the best in the future.

With heartfelt gratitude,

Anastasia Chichel
